

PRIVATE BUSINEES REFERENCE LIST

YEAR	COUNTRY	DESCRIPTION OF THE JOBS
2013	Czech Rep.	Repair of tubesheet on ACHE damaged by thermal dilatation
2014	Czech Rep.	A&E of ACHE destructed by freezing
2014	Belgium	Inspection of construction of turbo-compressor station
2014	Germany	Inspection during FAT of radial fans
2014	Czech Rep.	General maintenance of ACC
2014	Czech Rep.	General maintenance of ACHE
2014	Germany	Inspection during FAT of steam turbine rotor assembly
2014	Slovakia	ACC cleaning by machinery equipment (HPP with nozzle beam)
2014	Czech Rep.	Cooling power optimization of ACC
2014	Belgium	Supervision during construction of OWPP
2014	Slovakia	A&E of ACHE cooling power problems
2015	Czech Rep.	Vacuum air leakage measurement of ACC during turbine operation
2015	Czech Rep.	Performance test of steam jet ejectors on ACC
2015	Czech Rep.	Air leakage detection on ACC vacuum system with helium
2015	Czech Rep.	Maintenance of axial fans, gearboxes and el. motors on ACC
2015	Turkey	Lecture about ACC principle on conference for Turkey investors
2015	Slovakia	A&E of low performance of T/G working with SSC under vacuum
2015	Slovakia	Vacuum air leakage measurement of SSC during turbine operation
2015	Slovakia	Performance test of steam jet ejectors on SSC
2015	Slovakia	Repair of air leakages on SSC vacuum system
2015	Slovakia	Maintenance of axial fans on ACC

Note:

ACC = Air-Cooled Condenser

ACHE = Air-Cooled Heat Exchanger ("Flat Bed Cooler")

A&E = Analysis and Expertise

FAT = Factory Acceptance Test

HPP = High Pressure Pump

OWPP = Offshore Wind Power Plant

SSC = Steam Surface Condenser (Shell & Tube Heat Exchanger)

T/G = Turbo-Generator
